create comfort

2021 CATALOGUE

domkapa

create comfort

Established in 2009, Domkapa is an upholstery specialized brand based in Portugal that values the combination of four elements: ancient production techniques, timeless design solutions, premium materials and unmatched comfort. Every piece is uniquely designed to stand the test of time by fusing heritage elements with modern influences. The goal is to achieve the perfect balance between design and comfort, for residential and commercial projects.
