“quand le design s’invite chez vous...”

*“quando o design chega à sua casa...”
“when design comes to your home...”*

Este estilo é aparente no trabalho de modelação das peças incluindo os discretos puxadores metalizados dos aparadores e módulos.

Ce style se retrouve dans le développement de modelage des produits dont les discrètes poignées métallisées des bahuts et modules.

This style is apparent in the modelling work of the parts including the discreet metalized handles on the sideboards and modules.

Nesta colecção destacamos a geometria do traço que percorre todos os móveis e que lhe confere autenticidade e uma modelação suave na curva dos puxadores metalizados.

Dans cette collection nous mettons en valeur la géométrie du détail qui parcourt tous les produits et qui lui confère authenticité et une modélisation en douceur avec la courbe des poignées métallisées.

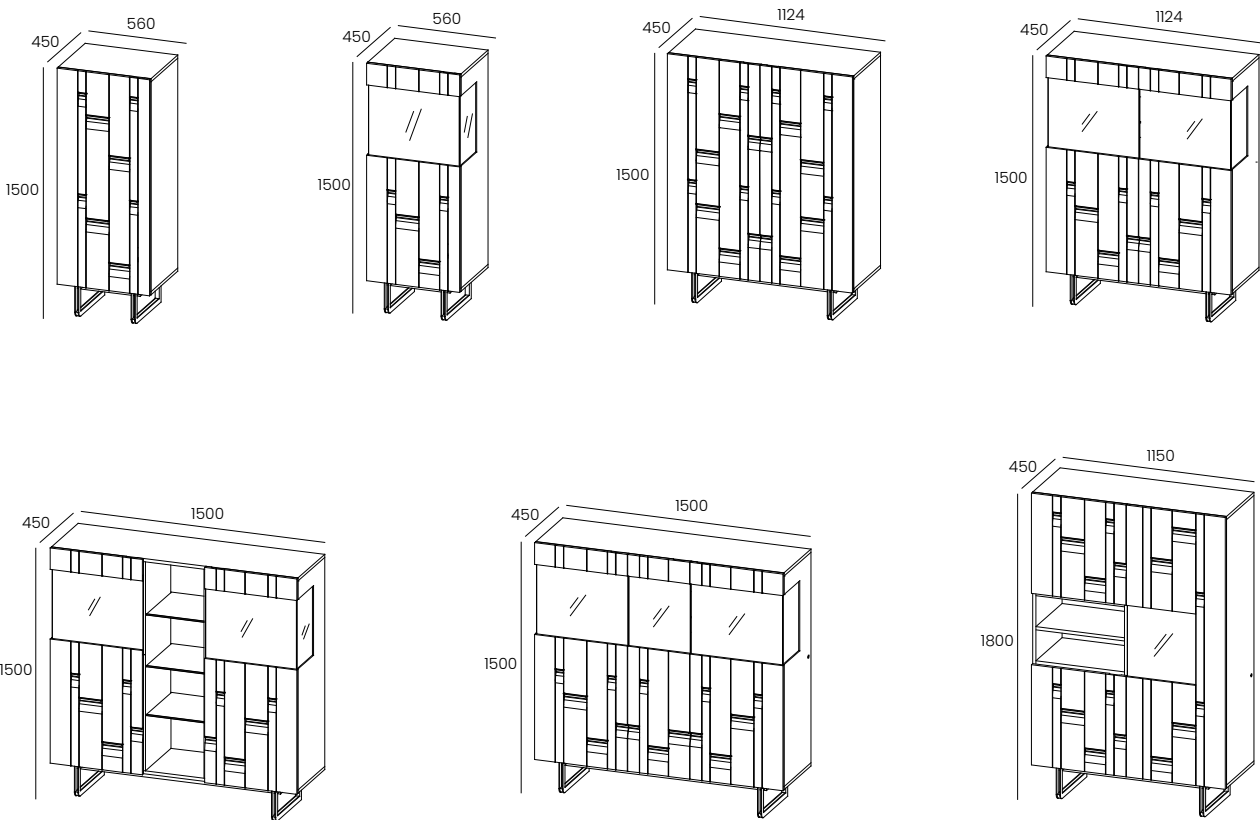

In this collection we highlight the geometry of the line that runs through all the furniture and which gives it authenticity and a smooth modelling in the curve of the metallic handles.
