DESCRIPTION

A family of coffee tables with a round, square or rectangular base where the structure and the top give it the strongest touch of personality and character: chrome or satin the first; mirror, antique mirror, marble or saddle the second. Interesting also the role of negative space creating geometric interplays at the height of the legs with the possibility to overlay more tables making the lower ones disappear!

DESCRIZIONE

Famiglia di tavolini a base rotonda, quadrata o rettangolare dove sono la struttura e il top a conferire personalità e carattere: cromato o satinato il primo; a specchio, a specchio anticato, in marmo o in cuoio il secondo. Interessante anche il ruolo dello spazio negativo che crea giochi geometrici all'altezza delle gambe e la possibilità di incastrare più tavolini facendo scomparire quelli più bassi!
