

DOGE outdoor

MC Lab - 2018

DESCRIPTION

The Doge coffee tables are as essential as noble: a minimal soul to be found in its allure. Precise and rigorous lines such as a slender and sleek structure, made more precious by soft details as the round corners and the top shape. To their structure in Iroko it is possible to match a stone or back painted glass top.

DESCRIZIONE

I tavolini Doge sono tanto essenziali quanto singolari: un'anima minimal da ricercare nella sua allure. Linee precise e rigorose abbinata ad una struttura snella e slanciata, impreziosite da dettagli morbidi come gli angoli arrotondati e la sagomatura del top. Alla loro struttura in iroko è possibile abbinare un top in pietra o vetro retroverniciato.
