

## DUCALE GRAN COUPE'

MC Lab - 2017

### DESCRIPTION

Regal, impressive and precious: Ducale makes the headboard its business card. More important in the high version, it becomes more contained and regular in the low version. Why do we call it Ducale Gran Coupè? The visible stitching of the headboard, which can be in fabric or to the pleated processing of the fabric or the leather of the head, longer than the body of the bed. Let your fantasy free: its fabric cover is completely removable, so you can change it according to your mood. Regale rhymes with comfort in Ducale: both versions are available with or without storage box, wonderful to keep order!

### DESCRIZIONE

*Regale, imponente e prezioso: Ducale fa della testata il suo biglietto da visita. Più alta e importante nella versione high, diventa più contenuta e regular nella versione low. A cosa deve il suo nome? Alla testata, che può essere in velluto o pelle ed è più lunga rispetto al corpo del letto. Le cuciture a vista sono le protagoniste assolute della versione gran coupè; gioca con la sua figura così particolare: il suo rivestimento in tessuto è completamente sfoderabile, quindi puoi cambiarlo secondo il tuo mood. Regale fa rima con comodità in Ducale: entrambe le versioni sono disponibili con o senza box contenitore, stupendo per mantenere ordine!*
