MC Lab - 2019

DESCRIPTION

The Garda console in wood with metal brass legs has a charm, originality and refined soul. Available with 2 or 3 drawers, suitable in contemporary and modern living room, residential entrance or contract use. The Garda collection – made up of console and day cabinet – is slender and original: the ribbed profile in matt canaletto walnut or ash is its distinctive trait, as are the particularly slender legs that contrast with the larger, more welcoming structure.
