

TRASTEVERE
MC Lab - 2016

DESCRIPTION

Eclectic, fascinating and of great personality: an accessory ready to become the protagonist of your living with your essential lines. Trastevere is a table with solid wood base in canaletto walnut or open pore ash, whose elegance leaves room for different material solutions for the top: choose between glass or marble. Pure geometric intrigue is the play of the legs which, intertwining, form a double longitudinal Y parallel to the top.
